Cancellation and Refund Policies

- Occasionally, the PDA will cancel a workshop or course due to low enrollment. Should this happen, participants will be notified prior to the date of the activity (usually a full week). Full refunds will be given to participants should this occur.
- Non-payment DOES NOT constitute withdrawal. In most cases, you may substitute a co-worker in your place if you cannot attend. Contact us if this is necessary.
- **Workshop/Course Refund Policy** - A full refund will be issued if the PDA receives a notice of your withdrawal (by phone, mail, or fax) at least seven (7) days prior to the start of the workshop or course. No refunds will be given after that date.

Registration Procedures

PROCEDURAL REMINDER- It is YOUR Responsibility to Make Sure You Are Registered!

Please remember that, in many districts, submitting a request to attend a workshop does not actually result in someone contacting the PDA to register you for the workshop. Please check with your bookkeeper or department chair for your district's procedure. If you have not received an e-mail confirmation of your registration from the Professional Development Alliance (and a paper confirmation in the mail two weeks before the workshop), then you are likely not registered. When in doubt, please call us at 815-744-8337 to check on your status.

Payment Options

Payment (or a guaranteed form of payment, such as a district purchase order or credit card number) is due, in full, prior to the start of the workshop. Payment cannot be taken the day of the workshop.

- We accept Visa or MasterCard. Card number, expiration date, and the name that appears on the card may be written on your registration form (if mailed or faxed) or given by telephone to the Registrar. We will not charge your card until the week of the workshop.
- A copy of a district purchase order (with a valid purchase order number) can be faxed to 815-744-8396. Please be sure that the fax includes your name and the workshop title so that we can apply the PO to the appropriate registration.
- Checks be mailed or hand-delivered to the Professional Development Alliance. If you are mailing a check, please be sure that it will arrive before the start of the workshop.
- If you register through our online registration system, you may pay with a Visa or MasterCard online. A pre-authorization will be processed, but the actual charge will not take place until 6 days prior to the workshop.

Registration Information

- Please register at least eight (8) days before the start date of the workshop or course to prevent it from being unnecessarily cancelled due to low enrollment.
- Please inform us if you require a written receipt for reimbursement.
- An email confirmation will immediately follow your registration. A paper confirmation will be mailed to you approximately two weeks prior to the start of the workshop or course.
- Please review the workshop or course description for additional costs that may be required for books and materials.
- Many of the courses that are offered for graduate credit can be taken, at the discretion of the PDA and the instructor, for CEU/CPDU's at a reduced cost. Please notify the Registrar if you would like to choose this option.
