

Online Book Studies for Educators

\$20 per session
book not included

We selected a book for each session; Winter, Spring and Summer of 2024 with 2 months to complete each session. This opportunity is funded by the Illinois SEL Hub Grant and focuses on Social Emotional Learning and Trauma Informed for Students, Teachers, and Schools, and Teacher Well-ness Strategies. Each book is split into 8 weeks with a portion of the book each week. Each week participants post online 2 original posts in response to questions posed by instructor and will respond to at least 2 other students' posts. A short final implementation post will come at the end of the course. Educators can earn PD Credits from home responding asynchronously each week and connect with educators across the state.
